1	Bidding or other process, if any, applied for choosing a party for sale, purchase or supply of goods or services.	The proposed RPTs are being conducted in the ordinary course of business and on an arm's length basis. In accordance with Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"), such transactions do not mandate a competitive bidding process if they are demonstrably fair and at market terms. Conducting an external bidding process would involve substantial time and administrative costs without adding proportional value, especially when the transactions terms are already demonstrably competitive and in line with industry standards. The proposed transactions have been reviewed and approved by the Audit Committee, which comprises a majority of independent directors. Their evaluation has ensured that the proposed transactions are in the best interests of the Company and its public shareholders, with no conflict of interest influencing the decision-making process. As per SEBI regulations, the requirement to seek competitive bids is not mandatory when transactions are in the ordinary course of business and at arm's length pricing. Hence, there is no regulatory obligation to invite external bids in this instance Hence, the management of the Company believes that it is neither necessary nor value-accretive to seek bids from unrelated external parties. The proposed RPTs meet all statutory and governance requirements and serves the best interests of the Company
